Killarney: Starter pack sent to new meeting in Listoonvarna.

Waterford: Communications to groups from region may need to be looked at to find out is there any simple way region can communicate with area about information being sent to area and group level. Decided to wait till next month to ask ASR to bring the request to region.

Child protection was discussed again.

Area has to investigate the possibility of moving along with YMCA group: YMCA group are going to approach landlord along with area representative in regards keeping the Area venue in the YMCA after the group moves on. It was felt that the autonomy of Area needed to be clarified with the landlord.
